EXPERIENCE

Marketing & Growth Co-op May 2026 – Aug 2026

Picture Health

- Design and maintain 5 AI automation workflows with Claude Co-work to generate marketing materials, monthly performance reports, outreach and a weekly industry digest that improved productivity 70%
- Launch multi-format content campaigns on LinkedIn to enhance brand presence and product understanding, doubling engagement rate and attracting 80+ new followers within 3 months
- Conduct account-based market research and define Ideal Customer Profiles (ICPs) to drive partnership and business development strategies, reporting data-driven insights directly to the CEO and CMO
- Manage full-cycle logistics for scientific events across pre-, live-, and post-event phases at ASCO 2026; the event recap and team posts drove most of the summer's click growth

Analyst Aug 2024 – Dec 2025

Bearcat Venture

- Evaluated startups' go-to-market strategies through market research, customer insight analysis, and competitive benchmarking to identify high-impact growth opportunities and scalability potential
- Leveraged PitchBook and Excel analytics to evaluate financial performance, forecast industry trends, and model company valuations, informing funding decisions for 4 early-stage startups

Account Management Co-op Sep 2024 – Dec 2024

Kinetic Vision, Cincinnati, OH

- Managed 30+ client accounts and 20+ ongoing projects, coordinating between engineering, marketing, and project management teams to ensure on-time delivery and budget alignment using Salesforce CRM and Excel
- Streamlined proposal generation by automating 30+ technical project templates through Salesforce and internal AI tools, cutting turnaround time by 50% and enhancing communication flow across departments
- Built data dashboards in Power BI to visualize conversion rates and identify the top 20% of high-revenue accounts, enabling the CIO to prioritize strategic opportunities and improve business forecasting
- Monitored LinkedIn campaign performance via Power BI, identified top-performing content angles, and scaled them to a 50% increase in reach and social engagements

Marketing Lead Nov 2022 – Jun 2023

UniTutor, Ho Chi Minh, Vietnam

- Launched content and design for social campaigns on LinkedIn, Facebook and Instagram, creating targeted content that generated 10K+ reach per campaign and attracted 150+ student enrollments per course
- Developed cross-departmental marketing and operational plans using Google Suite, aligning promotional timelines and resources across 5+ course campaigns and seasonal events that achieved 80% participant conversion rate
- Led a 5-member cross-functional team to manage full-cycle event operations for 100+ attendees, overseeing campaign themes, speaker partnerships, and sponsor coordination to deliver strong community engagement

Marketing Executive Jun 2022 – Mar 2023

Yogi CPA, Orange, CA (Remote)

- Managed multi-channel content calendars in Airtable and Hootsuite to coordinate weekly posts across Instagram, YouTube, LinkedIn, and newsletters, achieving a 30% monthly increase in new audience reach
- Tracked success metrics to analyze customer behavior and engagement in Excel to optimize content strategy, focusing on preferred topics and driving a 10% monthly increase in new viewer traffic
- Shaped Yogi CPA's brand identity by developing brand taglines and guidelines, integrating them into website design for a consistent client-facing presence

Market Entry & Sales Representative Oct 2021 – Apr 2022

Yagikuma Co., Ltd, Tokyo, Japan (Remote)

- Conducted market and competitive analysis of 50+ companies, evaluating product portfolios, pricing, and contracts to identify high-potential partners for Vietnam market entry
- Served as first Vietnam market representative, securing 2+ strategic partnerships and driving market entry through sales enablement materials; monthly reporting to HQ in Tokyo

INVOLVEMENT

Admin Coordinator – 1819 Innovation Hub Jan 2025 – Present

- Manage daily operations for a 50+ visitor ecosystem, coordinating space setup, supplies, and administrative logistics to ensure seamless guest flow for partners, startups, and students
